Freedom from smoking clinic

A Freedom From Smoking Clinic sponsored by the American Lung Association of South Central Pennsylvania will be held on Monday, June 15, at Dickinson College, in Carlisle, at 7:00 p.m. The cost is $40.

This eight-session group program is led by trained experts who understand rationalizations and motivations about continuing to smoke. The program uses a positive behavior change approach that teaches you how to become a nonsmoker. Special attention is given to developing a quitting strategy, dealing with recovery symptoms, controlling weight, managing stress through relaxation, to assertiveness techniques and to staying off cigarettes permanently. For many smokers-especially those who have tried to quit before-group support can make the difference in helping to stay smokefree.

Registration is required. For additional information, contact the American Lung Association of South Central Pennsylvania at 845-LUNG, or 1-800-351-1512
